

If you are using any type of mobile device, tablet, or Microsoft Edge browser, our website is not currently compatible. The citation number must be entered exactly as it is seen, including the capital state abbreviation and dashes. In the license plate field, just provide the numbers and letters in all caps. The state and spaces are not needed and it will keep you from accessing the citation. If you continue to have problems, you can reach a support technician at support@alertbus.com or we can assist you over the phone M-F 8A-5P CST at 1-877-310-8883.
